About Us

Since 1973, Kanwal Industrial Corporation has been upholding a premier spot in the global industries through its innovation-oriented and quality-driven work. As a manufacturer and exporter, we have been devoted to serve the most useful, reliable and budget effective products to our customers. The offered portfolio by us includes products like Flexible Duct Connectors, Enclosed Spring Isolators, Ribbed Pads, Sprinkler Flexible Hose and others. These items have endless demands in the markets due to their precise development, fine finishing, advanced functionality and many more quality features. Besides this, our professionals also provide the finest seismic solutions for buildings and non-structural components to the required individuals.

Founded in 1973, Kanwal Industrial Corporation has grown to become a leading global figure by working from Noida (U.P, India). We have been fulfilling the rising demands of customers for Flexible Duct Connectors, Sprinkler Flexible Hose, Metal Beam Clamps, Ribbed Pads and other products.
